Dear Robin:

On October 8, 1996 we received a check from Cooper Industries PAC designated for the primary election. We ended the primary with primary debt and this contribution is being applied toward that debt. We inadvertently entered it as a general contribution in our database and it was so reported in the pre-general election report.

On November 11, 1996 we discovered this error and corrected the data entry. Furthermore, the check was mislaid in the campaign office and not discovered until November 11, 1996. It was delivered to the accountant's office for immediate deposit.

Sincerely,

Gordon Elliott
Treasurer
